

Expert Lecture on “Indian Knowledge System and Overview”

On 2nd April, 2024, Guru Kashi University's Human Resource Development Cell (HRDC) hosted a captivating Online Expert Lecture on Indian Knowledge System. Renowned scholar Prof. Amita Pandey Bhardwaj, Project Head at Teaching Learning Centre, SLBSNS University, New Delhi, graced the event as the keynote speaker. With a turnout exceeding 80 participants, the lecture hall buzzed with enthusiasm and anticipation.

Prof. Bhardwaj delivered a thought-provoking discourse, exploring the profound depths of India's intellectual heritage. Attendees were treated to insights into ancient wisdom and its relevance in contemporary times. The session fostered engaging discussions, allowing participants to delve deeper into the subject matter.

The event aimed to promote a deeper understanding of India's rich cultural and intellectual traditions. It provided a platform for scholars and enthusiasts alike to exchange ideas and perspectives. Overall, the Expert Lecture on Indian Knowledge System was a resounding success, leaving attendees inspired and enriched by the wealth of knowledge shared.

The screenshot displays a virtual lecture environment. At the top, there are logos for Guru Kashi University and the Malaviya Mission Teacher Training Programme. A central yellow circle contains the text "Classification of IKS". An arrow points from this circle to two other circles: an orange one labeled "18 Vidyas (Theoretical Part)" and a grey one labeled "64 Kalas (Practical Part)". To the right, a vertical list of participants is visible, including Prof. Amita Pandey Bhardwaj, Dr. Gursimran Kaur, and Dean Pharmacy. Below the main content, a slide titled "Veda" is shown, divided into four colored quadrants: Rig (orange), Yajur (grey), Sama (yellow), and Atharva (blue). To the right of the slide, a numbered list describes each Veda:

- 1 Rig-** Praises elements of Nature and Cosmos
- 2 Yajur-** Explains different procedures of worshipping Nature & Cosmos
- 3 Sama-** gives music driven formats for recitation
- 4 Atharva-** it sets rules for steady state daily life activities

The bottom of the screen shows a control bar with various icons for navigation and interaction, including "End" and "Share Screen".
